Wild Trout Survival Guide

Price per Unit (piece): £10.00 (including 0 % tax)

This guide has been produced by the WTT in partnership with the Environment Agency and the River Restoration Centre. It is a practical and inspirational manual on how to create ideal conditions for wild brown trout to flourish. 72 full-colour pages, illustrated with specially commissioned drawings, designs and case studies. Aimed at those wishing to start their own wild trout conservation projects, it takes the reader from assessing their stretch of water all the way to project-design, planning, funding and dealing with red-tape. The emphasis is on sustainable restoration and management that will not only benefit wild trout populations but also deliver gains to local biodiversity.
