The Wild Trout Trust Wishes To Thank The Donors Of Lots For Their Very Kind Support And Generosity

Auction We invite you to participate in our 2018 Spring Auction (online and by post). The auction will be hosted on eBay charity pages (www.ebay.co.uk) with the Lots being visible from 9 March to the evening of 18 March 2018. To find the Lots on eBay, go to www.wildtrout.org and click on the link which will be live on 9 March. To search for a specific Lot, use the eBay search facility: enter WTTXXX where XXX is a 3 digit Lot number (e.g. WTT001 for Lot 1, WTT033 for Lot 33, WTT212 for Lot 212 etc). The exact closing time of each bid will appear next to the Lot description on eBay. The highest bidder for each Lot at the end of the auction on 18 March 2018 wins that Lot.

To view the catalogue, we suggest you visit the WTT website (www.wildtrout.org) where Lot descriptions and photographs can be found, along with a google map of all the fishing Lots.

eBay Bids Bidding on ebay.co.uk works similarly to leaving “commission bids” at a live auction. You place a bid for the most you are willing to pay for a Lot and, if you are the winning bidder, you will pay the amount necessary to beat the next highest bid. For instance, if you bid £100 for a Lot and the next highest bidder bids £50, you will only have to pay £55 for the Lot, even though you placed a bid for £100. For this reason, it is not necessary to closely monitor or repeatedly bid on an auction on eBay once you have made your bid. If you place a bid and are later outbid by another bidder, eBay will notify you by email, so that you may consider whether you would like to increase your bid.

You can view the current highest bid for each Lot, or browse other auctions, without registering with ebay.co.uk. If you would like to bid directly on eBay however, you will need to register with ebay.co.uk and obtain a User ID and choose a password. The registration process is quite simple, and you will not be asked for any bank details or financial information. For eBay’s new user registration page go to www.ebay.co.uk and click on ‘Register’. For its introduction for new users go to www.ebay.co.uk and click on ‘eBay explained’. Once you are registered and have a User ID, you may place bids on any of the Lots being auctioned on ebay.co.uk.

Postal Bids If you do not have access to the internet we can accept sealed postal bids which we will place on eBay on your behalf. Your bid then works in exactly the same way as described above. Postal bids for identical amounts will be placed in the order received. *Postal bids must be received in the WTT office by 15 March 2018 latest: WTT, PO Box 120, Waterlooville PO8 0WZ.*

Successful Bidders If you win the auction for a Lot, you can pay instantly through eBay using PayPal, by debit/credit card over the phone (WTT office: 023 9257 0985) from Monday 19 March, or by sending a cheque made payable to Wild Trout Trust to: WTT, PO Box 120, Waterlooville PO8 0WZ. The WTT will put you in contact with the donor of the Lot so that you can make arrangements to take your Lot. It is the buyer’s responsibility to make contact with the donor – please do this as soon as possible after receiving the donor’s contact details.

Second-Chance Offers If we do make a second chance offer by email it will only be sent from office@wildtrout.org. If you receive **ANY** contact from a different email address claiming to be from The Wild Trout Trust, it is fraudulent.

Important Note Please be reminded that offers should reflect the charitable nature of this auction – please bid generously and do not seek to acquire bargains! **All lots must be taken during 2018 season unless otherwise stated.** Lots may **not** be re-sold or transferred.

For Help or Further Information, Tel: 023 9257 0985 or Email: office@wildtrout.org

What will we do with the money raised in the WTT Spring Auction 2018?

The Wild Trout Trust auction is our single most important annual fundraising event and your part, through lot donation, or purchase is vital to its success. Thank you. We raised an amazing £98,000 in 2017! This money is absolutely crucial to our work.

We continue to focus on delivering habitat improvement projects and practical advice, working with fishing clubs and landowners and many other conservation groups to provide in-depth expertise on river habitat for trout and all wildlife. Our work in the river varies in scale from a few hundred metres, where we run workshops to train volunteers in simple habitat improvement techniques, to creating whole new sections of channel over a kilometre long.

The auction funds play an important role in getting projects off the ground; crucially, they are used to leverage more funds from other sources. For example, a recent project on the River Dever in Hampshire transformed over a kilometre of wide, silty, straight and shady channel into a river with variations in depth and flow and much better habitat for trout. £4,000 of auction funds leveraged £20,000 from other sources – enough to make a huge difference to the river.

The auction also helps us to keep our team of Conservation Officers 'on the road' or rather, in the river. It pays for tools and equipment like chainsaws and waders for them and for the volunteers we help.

We promise to use the monies raised wisely; we keep overheads to an absolute minimum (for example, all our staff work from home) to maximise the amount we spend on practical improvement of habitat for wild trout. We run this auction through the charity arm of e-Bay so costs are low and we are blessed with fantastic volunteers who help with the success of this auction.

If you would like to chat about our auction or anything else to do with WTT, please do not hesitate to call or email our Director, Shaun Leonard on 07974 861908 (director@wildtrout.org) or Fundraising & Communications Officer, Denise Ashton (07802 454157; dashton@wildtrout.org).

Thank you again for your support of WTT.
