The Wild Trout Trust Wishes To Thank The Donors Of Lots For Their Very Kind Support And Generosity

Auction We invite you to participate in our 2014 Internet & Postal Fundraising Auction. The auction will be hosted on eBay charity pages (www.eBay.co.uk). We suggest you visit the WTT website (www.wildtrout.org) where you can view the catalogue and click the link to eBay (the link will be active when the auction goes live on eBay). The Lots will be on eBay.co.uk from 4 March to the evening of 13 March 2014 (the exact closing time of each bid will appear next to the Lot description on www.eBay.co.uk). The highest bidder for each Lot at the end of the auction on 13 March 2014 wins that Lot.

eBay Bids Bidding on eBay.co.uk works similarly to leaving “commission bids” at a live auction. You place a bid for the most you are willing to pay for a Lot and, if you are the winning bidder, you will pay the amount necessary to beat the next highest bid. For instance, if you bid £100 for a Lot and the next highest bidder bids £50, you will only have to pay £55 for the Lot, even though you placed a bid for £100. For this reason, it is not necessary to closely monitor or repeatedly bid on an auction on eBay.co.uk once you have made your bid. If you place a bid and are later outbid by another bidder, eBay.co.uk will notify you by email, so that you may consider whether you would like to increase your bid.

Postal Bids If you do not have access to the internet we can accept sealed postal bids which we will place on eBay on your behalf. Your bid then works in exactly the same way as described above. Postal bids for identical amounts will be placed in the order received. *Postal bids must be received in the WTT office by 11 March 2014 latest: WTT, PO Box 120, Waterlooville PO8 0WZ.*

Successful Bidders If you win the auction for a Lot, the WTT will contact you afterwards to arrange for you to pay the WTT the winning bid price by cheque or credit card. The WTT will also put you in contact with the donor of the Lot so that you can arrange the details etc. eBay.co.uk does not charge winning bidders any fees – you will pay only the exact amount of your winning bid. The seller (the WTT in this case) pays a small commission to eBay.co.uk for hosting the auction.

Second-Chance Offers If we do make a second chance offer by email it will only be sent from auction2014@wildtrout.org or office@wildtrout.org. If you receive **ANY** contact from a different email address claiming to be from The Wild Trout Trust, it is fraudulent.

eBay You can view the current bids for each Lot, or browse other auctions, without registering with eBay.co.uk. If you would like to bid directly on eBay.co.uk however, you will need to register with eBay.co.uk and obtain a User ID and choose a password. The registration process is quite simple, and you will not be asked for any bank details or financial information. For eBay.co.uk's new user registration page go to www.eBay.co.uk and click on ‘Register’. For its introduction for new users go to www.eBay.co.uk and click on ‘eBay explained’. Once you are registered and have a User ID, you may place bids on any of the Lots being auctioned on eBay.co.uk.

Important Note Please be reminded that offers should reflect the charitable nature of this auction – please bid generously and do not seek to acquire bargains! **All lots must be taken during 2014 season unless otherwise stated.** Lots may **not** be re-sold or transferred.

Conditions of Sale

1. The auction will be subject to the terms and conditions of eBay.co.uk.
2. The WTT has the right to refuse any bid. If the winning bid is invalid or is not paid, the next highest bid shall be the winning bid.

5. Bidders bidding by post authorise the WTT to place a bid on eBay.co.uk as agent on their behalf, and shall be bound as if they had placed the bid personally.

How will we use the money raised in the WTT Auction 2014?

The Wild Trout Trust auction is our single most important annual fundraising event and your donation or purchase of a lot is a vital element in the success of the auction.

We aim to raise in excess of £50,000 in the 2014 auction – funding which is absolutely crucial to our work for wild trout.

The Trust continues to work tirelessly for our wild trout and the fishing clubs and community groups that enjoy their rivers and lakes. In 2012/13, we carried out 59 advisory visits, 33 project proposals and 28 river demonstration events, enhancing habitat on over 220km of river across the British Isles and involving around 460 volunteers and 2400 volunteer hours. We gave talks at a range of events, from fishing club AGMs to international conferences, to a total audience of over 1300 people. Our Mayfly in the Classroom programme reached over 800 school kids and we have developed a dynamic, information-rich website that is receiving 10,000 unique visits per month, spreading the word for wild trout conservation.

Money raised in this auction gives us vital ‘no strings attached’ funding which we will use in a number of ways:

- to give us a basic set of tools and equipment like chainsaws and waders to deliver projects;
- to provide bursaries to groups who need kick-start funding for their own projects;
- to keep our staff up-to-date with the science and new techniques for habitat restoration;
- to help leverage funding from other sources such as charitable trusts in order to fund project work.

Looking ahead, competition for funding for work like ours will be even keener, so your contribution through this auction becomes ever more significant. Thank you for your support of WTT. We promise to use wisely the monies raised to do good practical work for the conservation of wild trout and their habitat.

If you would like to chat about our auction or anything else to do with WTT, please do not hesitate to call or mail our Director, Shaun Leonard on 07974 861908 (director@wildtrout.org) or Fundraising & Communications Officer, Denise Ashton (07802 454157; dashton@wildtrout.org).
