

Habitat improvement workshop

Tuesday 20th December 9.30am—3.30pm

River Irt, Gaterigghow, Gosforth

You are invited to a workshop demonstrating river habitat improvement works such as coppicing and tree laying to create fish cover. This event is ideally suited to angling club members and riparian owners who undertake river work.

Bring: Wellies or waders, warm waterproof clothing, gloves and lunch.

To sign up contact:
