The Wild Trout Trust Wishes To Thank The Donors Of Lots For Their Very Kind Support And Generosity

Auction We invite you to participate in our 2019 Spring Auction (online and by post). The auction will be hosted on eBay charity pages (www.ebay.co.uk) with the Lots being visible from 8 March to the evening of 17 March 2019. To find the Lots on eBay, go to www.wildtrout.org and click on the link which will be live on 8 March. To search for a specific Lot, use the eBay search facility: enter WTTXXX where XXX is a 3 digit Lot number (e.g. WTT001 for Lot 1, WTT033 for Lot 33, WTT212 for Lot 212 etc). The exact closing time of each bid will be next to the Lot description on eBay. The highest bidder for each Lot at the end of the auction on 17 March 2019 wins that Lot.

To view the catalogue, we suggest you visit the WTT website (www.wildtrout.org) where Lot descriptions and photographs can be found, along with a google map of all the fishing Lots.

eBay Bids Bidding on ebay.co.uk works similarly to leaving “commission bids” at a live auction. You place a bid for the most you are willing to pay for a Lot and, if you are the winning bidder, you will pay the amount necessary to beat the next highest bid. For instance, if you bid £100 for a Lot and the next highest bidder bids £50, you will only have to pay £55 for the Lot, even though you placed a bid for £100. For this reason, it is not necessary to closely monitor or repeatedly bid on an auction on eBay once you have made your bid. If you place a bid and are later outbid by another bidder, eBay will notify you by email, so that you may consider whether you would like to increase your bid.

You can view the current highest bid for each Lot, or browse other auctions, without registering with ebay.co.uk. If you would like to bid directly on eBay however, you will need to register with ebay.co.uk and obtain a User ID and choose a password. The registration process is quite simple, and you will not be asked for any bank details or financial information. For eBay's new user registration page go to www.ebay.co.uk and click on 'Register'. For its introduction for new users go to www.ebay.co.uk and click on 'eBay explained'. Once you are registered and have a User ID, you may place bids on any of the Lots being auctioned on ebay.co.uk.

Postal Bids If you do not have access to the internet we can accept sealed postal bids which we will place on eBay on your behalf. Your bid then works in exactly the same way as described above. Postal bids for identical amounts will be placed in the order received. *Postal bids must be received in the WTT office by 14 March 2019 latest: WTT, PO Box 120, Waterlooville PO8 0WZ.*

Successful Bidders If you win the auction for a Lot, you can pay instantly through eBay using PayPal, by debit/credit card over the phone (WTT office: 023 9257 0985) from Monday 18 March, or by sending a cheque made payable to Wild Trout Trust to: WTT, PO Box 120, Waterlooville PO8 0WZ. The WTT will put you in contact with the donor of the Lot so that you can make arrangements to take your Lot. It is the buyer's responsibility to make contact with the donor – please do this as soon as possible after receiving the donor's contact details.

Second-Chance Offers If we do make a second chance offer by email it will only be sent from office@wildtrout.org. If you receive ANY contact from a different email address claiming to be from The Wild Trout Trust, it is fraudulent.

Important Note Please be reminded that offers should reflect the charitable nature of this auction – please bid generously and do not seek to acquire bargains! **All lots must be taken during 2019 season unless otherwise stated.** Lots may **not** be re-sold or transferred.
